A wide-angle photograph of a modern office lobby. The floor is made of large, light-colored marble tiles with a subtle veining pattern, identified as Travertino Ivory. In the center-left, there is a long, dark wood reception desk with a large, rectangular, backlit panel in the center that displays a light-colored, textured pattern. Behind the desk, a glass-walled office area is visible, containing desks, computers, and office chairs. To the left of the desk is a large, square pillar with a textured, light-colored surface. To the right, there is a glass partition and a set of double glass doors leading to another area. The walls are a warm, light brown color, and the ceiling has recessed lighting. The overall atmosphere is clean, professional, and modern.
